SAN BERNARDINO COUNTY DISTRICT ATTORNEY
BUREAU OF INVESTIGATION – ENVIRONMENTAL CRIMES
14455 Civic Dr., Suite 300
Victorville, CA 92392

ENVIRONMENTAL CRIMES INVESTIGATION REQUEST
PRESSING CHARGES NOTIFICATION

Attn: Clark Hansen, Chief Deputy District Attorney

THE PEOPLE RISES, those People, per the Signatures Pages attached hereto, and based upon Gary Tavention, Esq. Supervising Deputy Attorney General, Natural Resources Division, California DOJ, who has sent a letter, stating to inform the District Attorney about Pacific Gas and Electric Company acts, request of the followings:

1. THE PEOPLE request assistance by the San Bernardino County District Attorney to commence environmental crimes investigation, based upon Points and Authorities:
"The district attorney also prosecutes those complex crimes which harm the environment. Environmental crimes involve statutes and regulations designed to protect the environment as well as the health and welfare of the citizens. These types of cases can include violations of laws regulating the handling, storage and disposal of hazardous waste and materials as well as air and water pollution. The district attorney often collaborates with local, state and federal government agencies to address environmental issues, and investigate those issues that are crimes. We will prosecute to the fullest those who gain unfair advantage over their competitors and hurt the environment by not following the rules and laws that are adhered to by the legitimate businesses. As with the consumer protection cases, the remedies sought can be had through either criminal cases where people can be sentenced to jail or prison, or civil lawsuits. The remedies for environmental harm can include cleanup of the hazardous substances, financial penalties and fines, and court orders for protective measures designed to prevent the environmental harm from occurring again"

Environmental Crime has occurred and is currently occurring in the town of Hinkley, CA 92347 by:

Pacific Gas and Electric Company, Hinkley, CA 9347 operations, that are alleged, based upon recently confirmed fact, of poisoning the ground drinking water within the aquifers beneath the real properties of those per Signatures Pages Victims, with Arsenic and Uranium over the maximum legal limits, construed as poisoning act, causing illnesses, diseases and wrongful death to those Victims per the Signatures Pages.

2. NOTIFICATION

Those Victims, per the Signatures Pages, are now, as of this date, **pressing charges against:** PACIFIC GAS AND ELECTRIC COMPANY, a California Corporation (Corporation is a person)

THE PEOPLE are ready to execute all necessary tasks and documents in furtherance of justice.

RE: *Panchev et al. v. Pacific Gas and Electric*
San Bernardino Superior Court Case No. CIVDS1416980 etc.

Dear [REDACTED]

Thank you for keeping me informed of your action against Pacific Gas and Electric Company (PG&E) as well as the actions of those similarly situated. I have made sure that the State Water Resources Control Board (State Board) and the Lahontan Regional Water Quality Control Board (Regional Board) are aware of your action and your concerns.

As I mentioned before, the California Office of Attorney General typically represents the State Board and the various Regional Boards in their litigation. You told me in our last conversation that you had no interest in filing suit against either the State Board or Regional Board; however you may have to change your mind at some time in the future. Therefore, I think that since we may find ourselves as adversaries in the legal arena, it makes sense to avoid further informal communications. If you obtain an attorney though (your pleadings indicate that you are representing yourself in court, and you have told me the same orally), please feel free to have that attorney contact me for any reason.

Please also understand that you should make all complaints you have about the water quality in Hinkley to the Lahontan Regional Board or to the State Board. If you believe there is criminal activity ongoing by PG&E or any other entity, you should inform the local district attorney.

May 12, 2015
Page 2

Good luck to you.

Sincerely,

A handwritten signature in dark ink, appearing to read "Gary Tavetian". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

GARY TAVETIAN
Supervising Deputy Attorney General
